Fares Al Mustaqbal Foodstuff Trading Company "**FAM-FOOD**" was established in 2021 in Dubai in the United Arab Emirates.

It is a leading company specialized in sourcing and distributing foodstuff products in the United Arab Emirates, and reexporting to several countries in Middle East region.

"**FAM-FOOD**" comply to the highest international standards in shipping, storing and marketing to give its customers the high quality food products by developing and maintaining high efficiency.

Our goal is always to fulfill the demand of our customers whenever and wherever they need it.

FAM-FOOD Freshness just delivered.

- 100% NATURAL
- NO PRESERVATIVES
- NO DYES
- NO ADDITIVES

SICAM, Industrial Corporation Canned Food since 1969, is the number one tomato producer in Tunisia.

SICAM related companies:

SICAM Agri: Manages the relationship between SICAM and suppliers.

PROCAN: Production of cans.

SICAM, PARTNER OF NATURE

Everything good is cultivated from the beginning, this is why **SICAM** has a subsidiary. SICAM Agri with more than 40 agricultural engineers, who provide supervision and technical monitoring to agricultural partners and guarantee the optimization of agricultural practices and the preservation of the environment.

DAILY QUALITY CONTROL FOR YOUR SAFETY

Every step of the product's development is subject to unfailing attention : Quality controls are carried out throughout the chain, from the raw material to the final product.

A 1.000 control analysis reports carried out per day during the transformation campaign.

FAM FOODS is the official distributor of SICAM products in Middle East region
